Change in Caverion's Group Management Board: Head of Division Industrial Solutions will be replaced

Sakari Toikkanen (born 1967, Lic (Tech.) has been appointed as Head of Division Industrial Solutions of Caverion Corporation as of June 21, 2017. He will assume the position until a new permanent head of division is hired. The recruitment process will be launched immediately.

Sakari Toikkanen is currently Head of Strategy & IT & Communications of Caverion Corporation and a member of the Group Management Board. He will continue also in this position and report to President & CEO Ari Lehtoranta in both roles.

The current Head of Division Industrial Solutions Erkki Huusko will continue in specific tasks in the company over the next few months and report to Sakari Toikkanen.

"By recruiting a new head of division we seek to boost our industrial client segment which plays an important role for Caverion's success. Caverion currently holds a strong position in industrial services particularly in Finland, and our aim is to get a stronger foothold also in other Caverion countries. I thank Erkki for his contribution in building our Industrial Solutions division," says President & CEO Ari Lehtoranta.
